

# The voice of our stakeholders

Teofil Sturzoiu, a visionary technology and solution provider representing Eldie from Romania, is one of our valued stakeholders who has benefited from SHIFT-HUB's dynamic activities and services.

Among the many offerings, the Living Labs and Access to Funding services stood out for him as invaluable support to foster innovation and drive growth. He highlights:

**“ SHIFT-HUB helped me learn about funding opportunities and explore those that are a great fit for our roadmap. Additionally, it helped us connect with users and potential partners. ”**

Moreover, SHIFT-HUB has been instrumental in addressing key challenges, such as finding collaborators, while also helping Teofil establish new partnerships and enhance his knowledge and skills.

**Teofil Sturzoiu**  
CEO at Eldie, Romania

Eldie is an innovative platform dedicated to supporting seniors by slowing down and detecting cognitive decline through AI analysis and scientifically validated games.
